

## Spark Lab Launch Events

### 17-18 October, Barcelona, Spain

*SparkLab offers a platform for collaboration between stakeholders from all sectors who are interested in the creation and development of inclusive opportunities using Information and Communication Technologies.*

#### 17th of October

##### 13:00 – 15:00 - Inauguration of the Spark Lab

*Location: IMI Building, Avenue Diagonal 220, 4th floor, Barcelona.*

SparkLab is an evolution of the traditional model of an ICT public access space or telecentre, transformed into a laboratory of innovation and social inclusion to facilitate multi-sector participation and advanced use of ICT and mobile communication resources. SparkLab is a joint initiative of Telecentre.org Foundation, the International Telecommunications Union, and the Government of Catalonia, Spain.

##### 16:00 – 18:30 - Citilab Visit

*Location: Citilab - Plaza Can Suris, s/n 08940 Cornellà (Barcelona)*

- Tour of Citilab site and projects
- Living Labs Network – meeting
- i2cat Foundation meeting (Internet Avanzada)

#### 18th of October

##### 09:00 - 12:00 - Spark Lab Workshop

*Location: at IMI, Carrer de Tanger #98, 11<sup>th</sup> and 12<sup>th</sup> floors, Barcelona*

Group proposals, debates, discussions, reporting...

##### 13:00 - Lunch for workshop attendees

##### 16:00 – 19:00 - Spark Talks - (Open to Public)

*Location: Barcelona Activa, Carrer de la Llacuna #162 – 164, Room 'Empren', Barcelona*
